WRITTEN RESEARCH PROPOSAL RESULT:

Note: Each Committee Member will provide individual ranking on the Written Research Proposal.

If a student receives two or more "No Pass" Rankings from committee members in a given criterion, they will receive a "No Pass" for that criterion. To earn a "Pass" on the Written Exam overall, a student must receive a "Pass" in at least 4 out of 6 of the criteria. In the event that a student does NOT pass the Written Research Proposal component, the student will need to provide a revised Written Research Proposal to their Committee at least 2 weeks before their scheduled Oral Presentation Exam. The student must then pass both the Written and Oral Presentations by 03/15/2024 in order to pass the 2nd Year Exam.
